**2nd<sup>t</sup> Announcement and Call for Workshop Seminar Papers**

We hereby have the pleasure to issue the 2nd announcement and continued call for papers for the IMSF 38th AGM and Workshop Seminar 2011.

The event 2011 will be held in Norway and preparations are underway to make this event as successful as previous AGM's. It will consist of three days of sessions, including the Annual General Meeting, Member Activities Reports and Presentations, Simulator Demonstrations, Technical Tour and Workshop Papers. There will also be the IMSF Conference Dinner.

Participants of the AGM 2011 will cover their own travel, hotel, meals and incidental expenses. For non-IMSF members a fee of 200US\$ will be charged and entitles to one year membership. For IMSF members who have fulfilled their 2010 contribution dues there is no charge. Others are requested to settle the fees then and there.

For planning purposes of accommodation, catering and facilities we kindly request you to respond as soon as possible by email or fax by means of the registration form. Also if you are intending to present a member report or a technical paper. The detailed schedule will be made available at the AGM.

Information of the selected hotels is given in the attachment. Bookings can be made directly at this discounted price mentioning HSH/SIMSEA contract. **The booking period has been extended until 13 May to ensure the indicated rates.** We hope to welcome you at IMSF 38<sup>th</sup> AGM and Workshop Seminar 2011.
