**International Marine Simulator Forum  
together with  
Stord/Haugesund University College and SIMSEA**

have the pleasure to announce the 38<sup>th</sup> Annual General Meeting (AGM)  
and Workshop Seminar 2011 to be held in

**Haugesund, Norway  
22-26 May 2011**

**1<sup>st</sup> Announcement and Call for Workshop Seminar Papers**

We hereby issue the 1<sup>st</sup> announcement and call for papers for the IMSF 38th AGM and Workshop Seminar 2011. With great sorrow we have witnessed the devastating events in Japan and offer sincere condolences to our Japanese members, especially those who have lost family or friends.

The event 2011 will be held in Norway and preparations are underway to make this event as successful as previous AGM's. It will consist of four days of sessions, including the Annual General Meeting, Member Activities Reports and Presentations, Simulator Demonstrations, Technical Tour and Workshop Papers. There will also be the IMSF-sponsored Conference Dinner.

Participants of the AGM 2011 will cover their own travel, hotel, meals and incidental expenses. For non-IMSF members a fee of 200US\$ will be charged and entitles to one year membership. For IMSF members who have fulfilled their 2010 contribution dues there is no charge. Others are requested to settle the fees then and there.

For planning purposes of accommodation, catering and facilities we kindly request you to respond as soon as possible by email or fax by means of the registration form. Also if you are intending to present a member report or a technical paper. All further communications will be by email only.

Information of the selected hotels is given in the attachment. Bookings can be made directly at this discounted price mentioning HSH/SIMSEA contract.

We hope to welcome you at IMSF 38<sup>th</sup> AGM and Workshop Seminar 2011!

Stephen Cross
